

MAKE YOUR OWN ALPHABET CYPHER

AN ALPHABET CYPHER IS A WAY TO MAKE YOUR OWN SECRET CODE.
MIX UP THE LETTERS OF THE ALPHABET AND PAIR THEM WITH THE
LETTERS THAT ARE IN ORDER. LIKE THIS:

— A B C D E F G H I J K L M N O P Q R S T U V W X Y Z —
— D Z Q O H U M N Y C V G A W R X S B T J E K L F P I —

SO NOW THIS SENTENCE:

I WISH I COULD HAVE A PET PUPPY

BECOMES THIS:

Y L Y T N Y Q R E G O N D K H D X H J X E X X P

NOW ONLY SOMEONE WITH A COPY OF
THE CYPHER YOU MADE UP CAN WORK
OUT YOUR VERY OWN SECRET CODE!

Make your own!

(HINT, START BY PUTTING THE LETTER A IN A RANDOM
SPOT, AND CONTINUE THROUGH THE ALPHABET AS YOU GO,
SO YOU DON'T LOSE TRACK OF LETTERS!)

And write a
message in your
cypher code
